

“Touch & Try” Demo Program for Fleet Diagnostics

DataSource Mobility has created this exclusive “Touch and Try” program for fleet diagnostics:

- Program includes:
 1. Noregon JPRO software
 2. Toughbook
 3. DLA+ adapter
 4. Storm case
- Duration of program is 5 business days
- Shipping and handling included
- Credit card authorization required, agreeing to return hardware in 5 business days
- Additional demo programs available upon request

Form should be returned via fax to our secure fax number 931.919.1219.

Get up close and personal with the Noregon JPRO Diagnostic Software and the Panasonic Toughbook mobile device. Our unique “Touch and Try” demo program gives you the ability to use the complete solution in your shop—risk free.

We are dedicated to being your number one provider for mobile solutions. Contact us today to get started!
